The story is from Children Home, Nayagarh Kalaparisad, Panipoila, Nayagarh is located 10 kilometers away from Nayagarh, district.

Total 27 numbers of inmates are living in this Children Home among them 14 are Boys and 13 are Girls. The majority of children are single parent and a few numbers of children are parentless.

The Educational condition of the children is based on their classes such as; 2 nos. of children are avail higher education in Govt. CCI, Nayagarh Kalaparisad is started working from 2006 with children those are parentless, single parents & abandon etc. When the child is coming in to the CCI by rescued or produced in the CWC, it was observed that the condition of the child was very stressful. Because of the child is going through so many problems so that, in nature they did not talk to each other, stay alone and don't believe someone. The same thing was observed in Mamali Pradhan.

Mamali Pradhan is an Inmate which 17 years old, she belongs to our Children Home. Mamali is studying in ITI 2nd year in Govt. Industrial Training Institute, Khuntubandha, Nayagarh in Electrician Trade. But before she did not know her ability & talent as well as she has incapable to participate in any events and competitions. If any kind of competitions, events and functions was

organized in CCI, block and district-level program, she regrets to participate. She spent her time for only studying and rest of the time watching TV and gossiping with her friends.

Since 0

20 April 2016 when Mamali was admitted in CCI, Nayagarh Kalaparisad took initiative on the issue addressed of Mamali Pradhan through Counselling based on games, songs and storytelling etc. And strengthening her by spreading awareness on rights, education and several physical activities.

On 14th Nov 2021 Nayagarh Kalaparisad was conducted children's day celebration in our CCI.
