T

he Nayagarh Kalaparisad has been established by a group of dedicated social workers with an objective to evaluate and solve the problems of different communities of our society for their upliftment and all round development through different kinds of development through different kinds of developmental works, like research, training, studies, workshops, awareness camp, public meetings, cultural functions, competitions, rally, padayatra and other motivating activities.

At present “Nayagarh Kalaparisad” is a Non-profiting Dist. Level Voluntary Organization registered under Societies registration Act XXI 1860 in the year 2000-01 bearing Regn. No45/2458/2004. The activities of the organization in different spheres have been started much earlier to the date of its provisional registration.

PRESIDENTS MESSAGE

During the last few years this organization has involved in different activities like providing health care, literacy campaign training on awareness programme on food, income generation, environment protection, nutrition, social rights and justice and other welfare activities for the down trodden particularly for the orphans woman and SC, ST communities. It has also looked after the upliftment and over all development of the rural poor as well as urban slum dwellers. The overall objectives of this organization are to identify the basic issues and problems of the poverty ridden people of rural and urban population.

This organization in the preceding years has taken up several similar measures for the upliftment of the rural & urban poor and awareness campaigns in Nayagarh District as mentioned in its annual report.

Keshab Dalabehera

President

MESSAGE FROM SECRETARY

To promote rural and tribal art and culture with documentation, dissemination, exhibit meals in protecting and preserving the heritage of Odisha beyond the state.

To provide development and welfare services to the Down-trodden, economically backward, socially neglected people and to the weaker sections of the society. The provision for development and care for the aged, children disable and distressed woman are also included in the activities of the organization.

To educate the individual and the community to be aware of their problems and solve them with the resources available through their organized and collective action.

To motivate and involve youth to identify and help to eradicate social evils like gender inequality, dowry, bonded labor, low wage, untouchability, alcoholism, illiteracy & child labor etc. to create a new social order with greater freedom and justice.

To facilitate support & motivate people to undertake different developmental programmes such as land development, watershed management, preservation of forest, social forestry, protection of environment, wasteland development, human resource development, a forestation, horticulture, sericulture, development of community leaders etc.

Pravasini Nanda

OUR VISION

Work on the field of orphanage; develop the down trodden SC/ST students, child marriage, social justice and other social work for development of nation.

OUR MISSION

Rescue operation of child marriage, child labor, diversity, development of poor SC/ST children through education and take shelter for orphanage children and single parent child through child care institution.

OUR FOCUS

We put women, girls and child in the center because we know that we cannot overcome poverty until all have equal rights and opportunities.

OUR VALUES

Transformation

Integrity

Excellence

Equality

EXPERIENCE & EXPERTISE:

The organization, by now, has already played a long innings which helped

in getting experience in various field of social work. Its success, especially its failures in various activities made it rich in experience. It has experience in taking up programmes and projects for the aged, woman and children, ST, SC and other vulnerable groups of the society. It has good experience in organizing women, conducting vocational training and operating income generation activity for them. It has also good experience in maternity and child care programmes. The organization has a team of experts in various field of activity who constitute its advisory committee. They include social workers, social activities, doctor's engineers, architects, educationist etc. These experts assist the functionaries & organizers of the organization in the planning and implementation of various programmes and projects last year our organization has taken up the activities as mentioned below.
